

# FREE COVID-19 ONLINE COURSE FOR ELIGIBLE 32BJ MEMBERS

Great news! The English version of our Cleaning for COVID-19 and Infectious Diseases course is now available on our Learning Management System. Please let your employees know to sign up today!

To access the course, eligible members need only to go to our website at [training.32bjfunds.com](http://training.32bjfunds.com), log in (instructions are there for first timers) and search for COVID. They can launch the course from there. The course is accessible via a desktop/laptop computer or using a mobile device.

**Note that if your employees take the course on company time, we can provide you with a list of completions whenever you need.**
