

DE-ESCALATION / BYSTANDER TRAINING

32BJ Training Fund in partnership with the Center for Anti-Violence Education is offering a 2-hour onsite program to help workers understand their responsibilities when witnessing crime, accidents or instances of harassment or bullying in the workplace.

This interactive workshop will help participants walk away with a greater understanding of de-escalation and active bystander interventions.

Locations:

Onsite at your location (10-20 students) or at the 32BJ Training Fund Headquarters

Dates:

Available day or evening, weekday or weekends.
